DEPARTMENT OF HEALTH AND HUMAN SERVICES

2525 GRAND AVENUE LONG BEACH, CA 90815 (562) 570-4000 FAX (562) 570-4049

EMPLOYMENT OPPORTUNITY PUBLIC HEALTH PHYSICIAN (UNCLASSIFIED)

Annual Salary Range: **\$120,000 – \$144,000 plus benefits**

The City of Long Beach Department of Health and Human Services is seeking a full-time Public Health Physician in the unclassified service, to oversee and manage the City's emergency preparedness and emergency management program, related grants, activities, training programs and emergency responses, and public health clinics. The Public Health Physician reports directly to the City Health Officer.

Examples of Duties:

- Treats patients and assists with or leads and supports outbreak investigations;
- Provides medical and epidemiological support to public health emergency preparedness;
- Supervises and coordinates activities and grants within the Department of Health and Human Services and assists the City Health Officer as a consultant to the epidemiologist, public health nurses and other departmental health care professionals in coordinating disease control activities;
- Oversees compliance with HIPAA regulations and training and manages a caseload of patients to control the spread of chronic and other communicable diseases;
- Attends and/or conducts trainings and conferences as required;
- Performs other duties as requested.

Minimum Requirements:

- Possession of a valid physician and surgeon's certificate issued by the Medical Board of California (proof required)* **AND** ability to qualify under either option **A or B**:
 - A. Board certification or eligibility in one of the medical specialties recognized by the American Board of Medical Specialties (proof required)*; **OR**
 - B. Possession of a Master's Degree in Public Health (proof required)* or two years of clinical experience in a public health agency.
- **Applicants must submit a current curriculum vitae (CV);**
- Ability to communicate verbally and in writing;
- Ability to manage a full patient caseload;
- A valid California Drivers License (A current DMV driving record must be submitted at the time of selection).

Highly Desirable Qualifications:

- It is anticipated that the individual selected for this position will have experience in public health, community health or chronic disease control, communicable disease control, epidemiology and clinical experience, and
- A working knowledge of California Health and Safety Codes/Laws and HIPAA Regulations.

The deadline to file is: Open until filled. Please mail or e-mail your curriculum vitae (CV), cover letter and all other required documents to:

Dr. Kushner, City Health Officer
City of Long Beach
2525 Grand Avenue, Long Beach, CA 90815
Fax: (562) 570-4049 or
E-mail: mitchell.kushner@longbeach.gov

*** Any required proofs such as certificates, diplomas, licenses and transcripts must be received by the Department of Health and Human Services at the time of application.**
